Congrats go out to: Missy Milton

Fayetteville artist Melissa "Missy" Milton been selected as an award recipient for the EveryLife Foundation's 2018 Rare Artist contest in the Adult digital art/photography category for the piece "Flora & Fauna".

The contest is for artists who have rare diseases. Its purpose is to raise awareness for rare diseases that often get overlooked when it comes to medical research and the education of doctors.

Missy's art and artist's statement will be displayed on RareArtist.org plus at events hosted by the EveryLife Foundation for Rare Diseases, including the Rare Artist Reception on February 27th as part of Rare Disease Week on Capitol Hill. There she will speak briefly about her art and how she (and it) are affected by her rare disease of Dysautonomia.

Missy's winning artwork and artist's statement may be found at: <https://www.rareartist.org/portfolio/flora-fauna/>

Check out “Local Color Art Teacher Show and Reception” January 12, at Local Color Studio Gallery, 275 S Archibald Yell, Fayetteville from 6-9pm for information: [Click Here](#)
